JOLLOF RICE

Ingredients

- 200g Guanciale
- 2 cups Rice
- Red pepper
- Tomato
- Tomato paste
- 2 onions
- Scotch bonnet pepper
- Garlic
- Chicken stock
- Neutral oil (vegetable/sunflower)
- Herbs: thyme, bay leaf
- Spices: fennel, clove, ginger, paprika, tumeric
- Salt & peper

Recipe

1. Sauce base: blend the red pepper, 1 onion, tomato with some ckicken stock. Fry off and put aside.
2. Spice blend: In the same pan, fry the remaining onion, garlic, tomato paste, scotch bonnet and spices until fragrant.
3. Combine: Add the rice to the spice mix & coat the grains. Add half of the sauce base, stock and water. Add the bay leaves.
4. Cook: Bring to the boil, then simmer on low heat, covered, until rice is cooked (15-20 mins).
5. Finish: Stir through the remaining sauce base, thyme, adjust seasoning and serve.

Hints

- Not too much spice or tumeric - Jollof is meant to be red, not orange!
- Excess sauce base can be served on the side.
- Add oil or butter towards the end of cooking, to prevent the rice becoming dry

PÃO DE QUEIJO

Ingredients

- 500g Tapioca Starch (250g Doce / 250g Azedo)
- 250g Whole Milk (oat is fine)
- 100ml Water
- 100ml Vegetable Oil
- 10g Fine Salt
- 3 Eggs
- 150g Parmesan, finely grated
- 100g Mozzarella or mild cheddar, grated

Recipe

1. Scald: Bring milk, water, oil, and salt to a rolling boil and pour over the starch. Stir until a lumpy, sticky paste forms.
2. Cool: Allow the dough to cool for 15 minutes. It must be warm to the touch, not hot, to avoid scrambling the eggs.
3. Mix: Incorporate eggs one at a time. Add the cheeses and knead until the dough is smooth, glossy, and uniform (massa lisa).
4. Form: Preheat oven to 190°C. Grease hands with oil and roll 30g balls. Space 5cm apart on a lined baking sheet.
5. Bake: Bake for 20–25 minutes.

Hints

- Texture Science: Scalding causes starch gelatinization (), creating the elastic matrix that traps steam for the rise.
- Starch Ratio: 100% Doce (Sweet) yields a dense, chewy roll; 100% Azedo (Sour) creates a hollow, tangy, and very airy puff.

Mains

COD WITH MORCILLA

Ingredients

Recipe

1. Scald: Bring milk, water, oil, and salt to a rolling boil. Pour immediately over the starch in a large bowl. Stir until a lumpy, sticky paste forms.

Hints

- Texture Science: Scalding causes starch gelatinization (), creating the elastic matrix that traps steam for the rise.
